Enter the magical world of Michael Jackson.

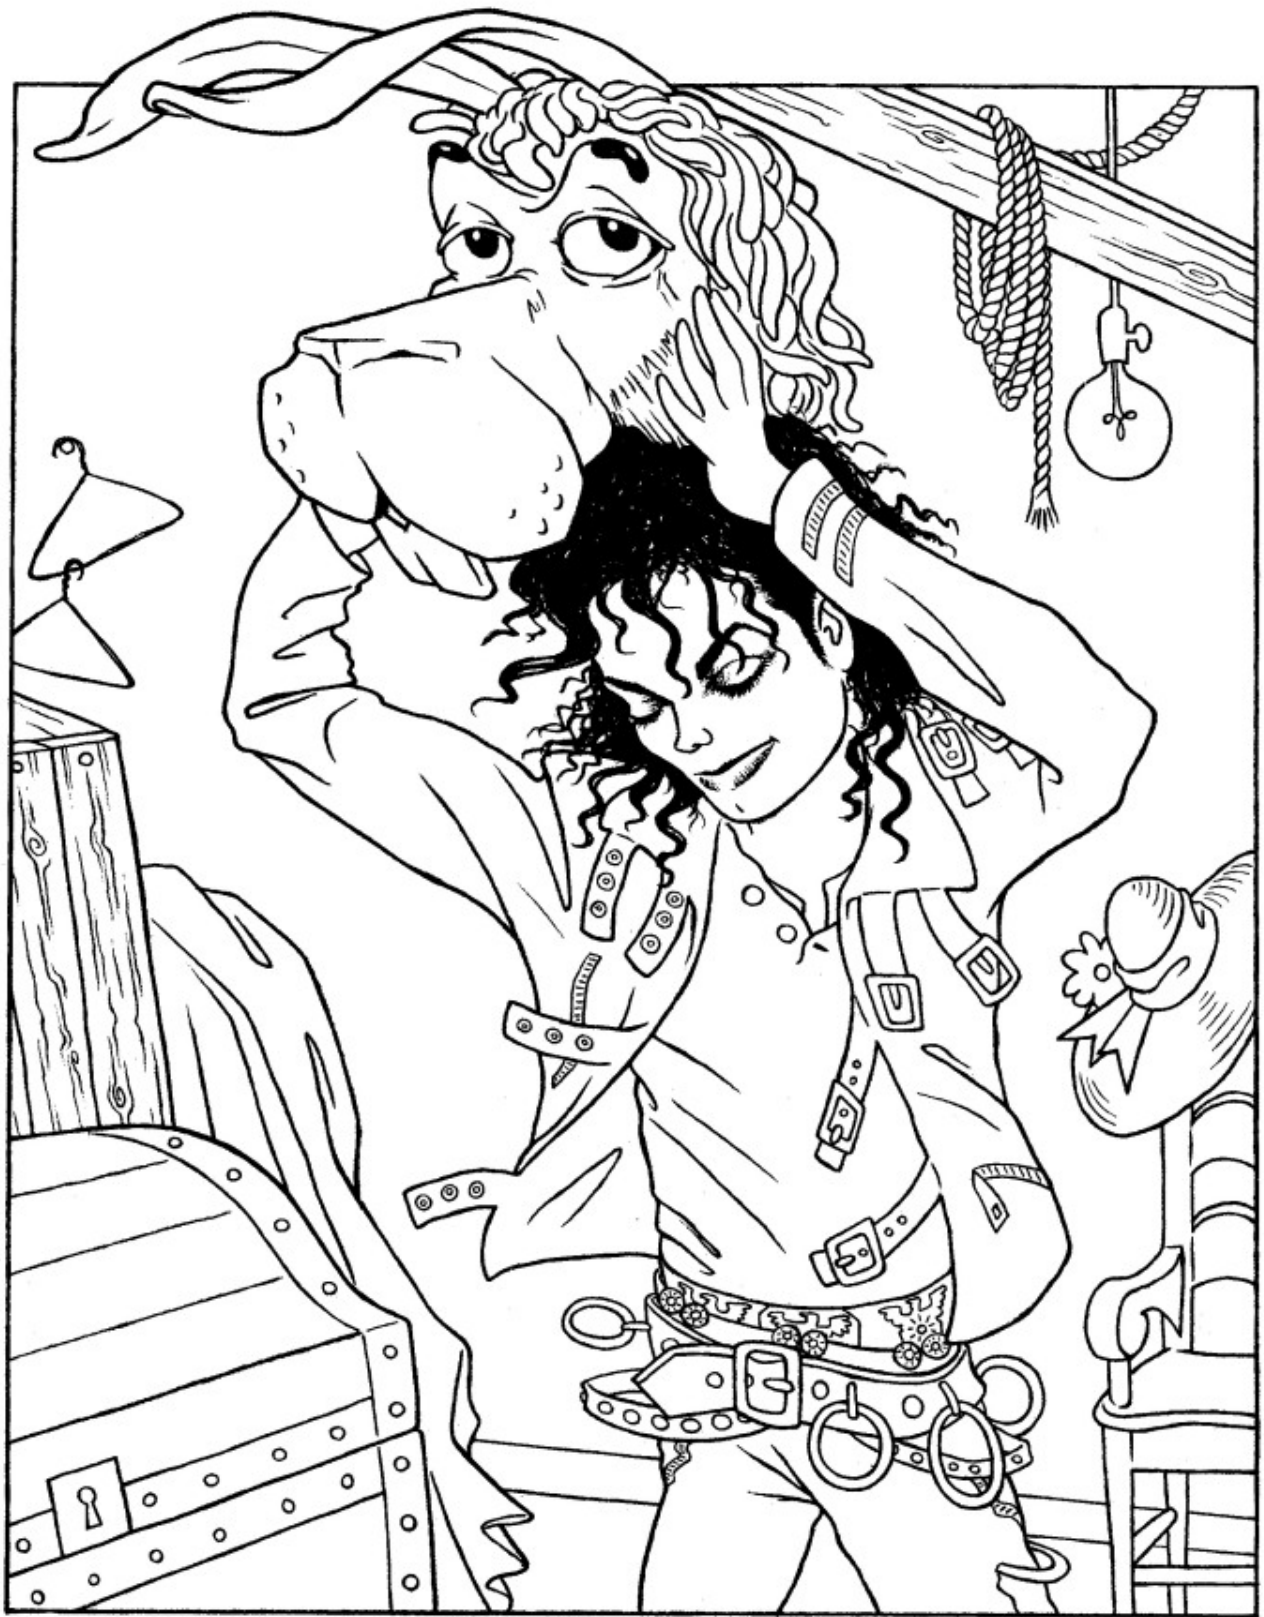

Michael's songs have special messages.

Songs like “Man in the Mirror” remind people to stop and think about the world.

Everywhere Michael goes, crowds of people are always waiting to say hello. "Michael! Michael! Over here!"

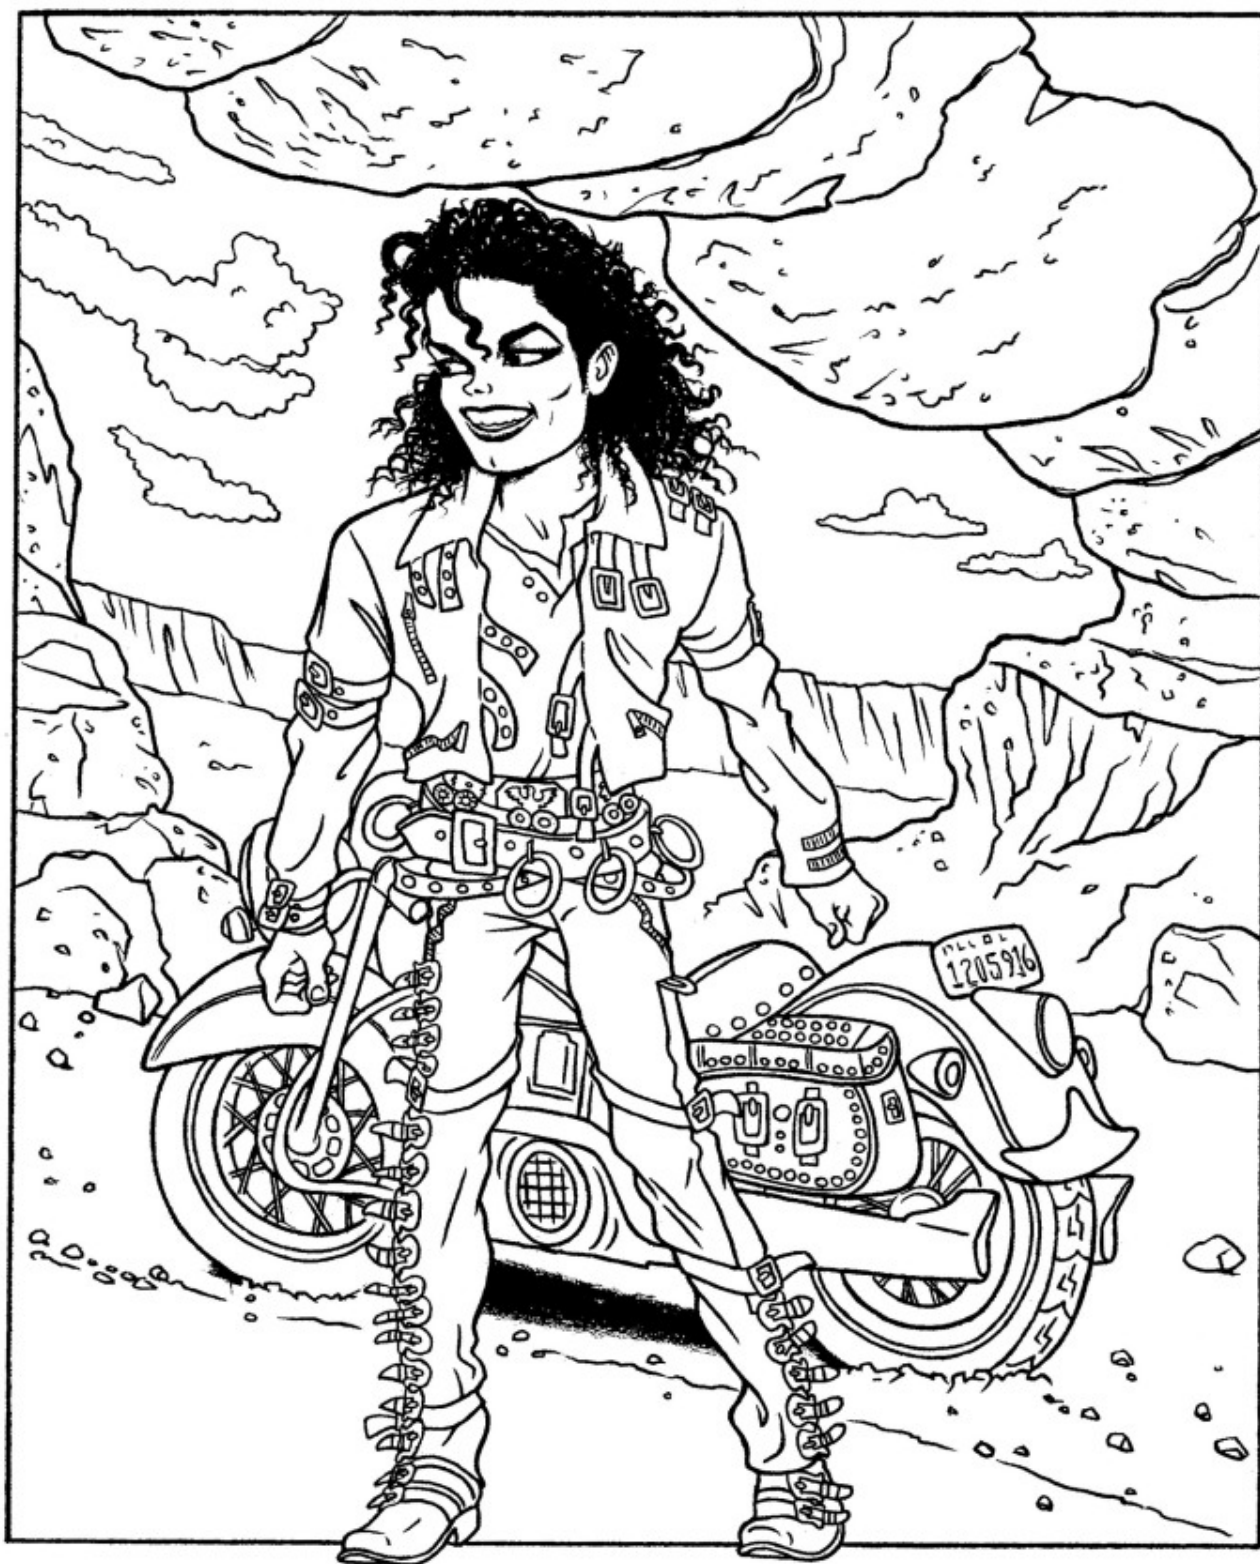

**Sometimes Michael has to put on a costume to hide from the crowd.
This time he's a rabbit!**

**Michael finds a bicycle and makes his getaway. Watch out for the
“Speed Demon”!**

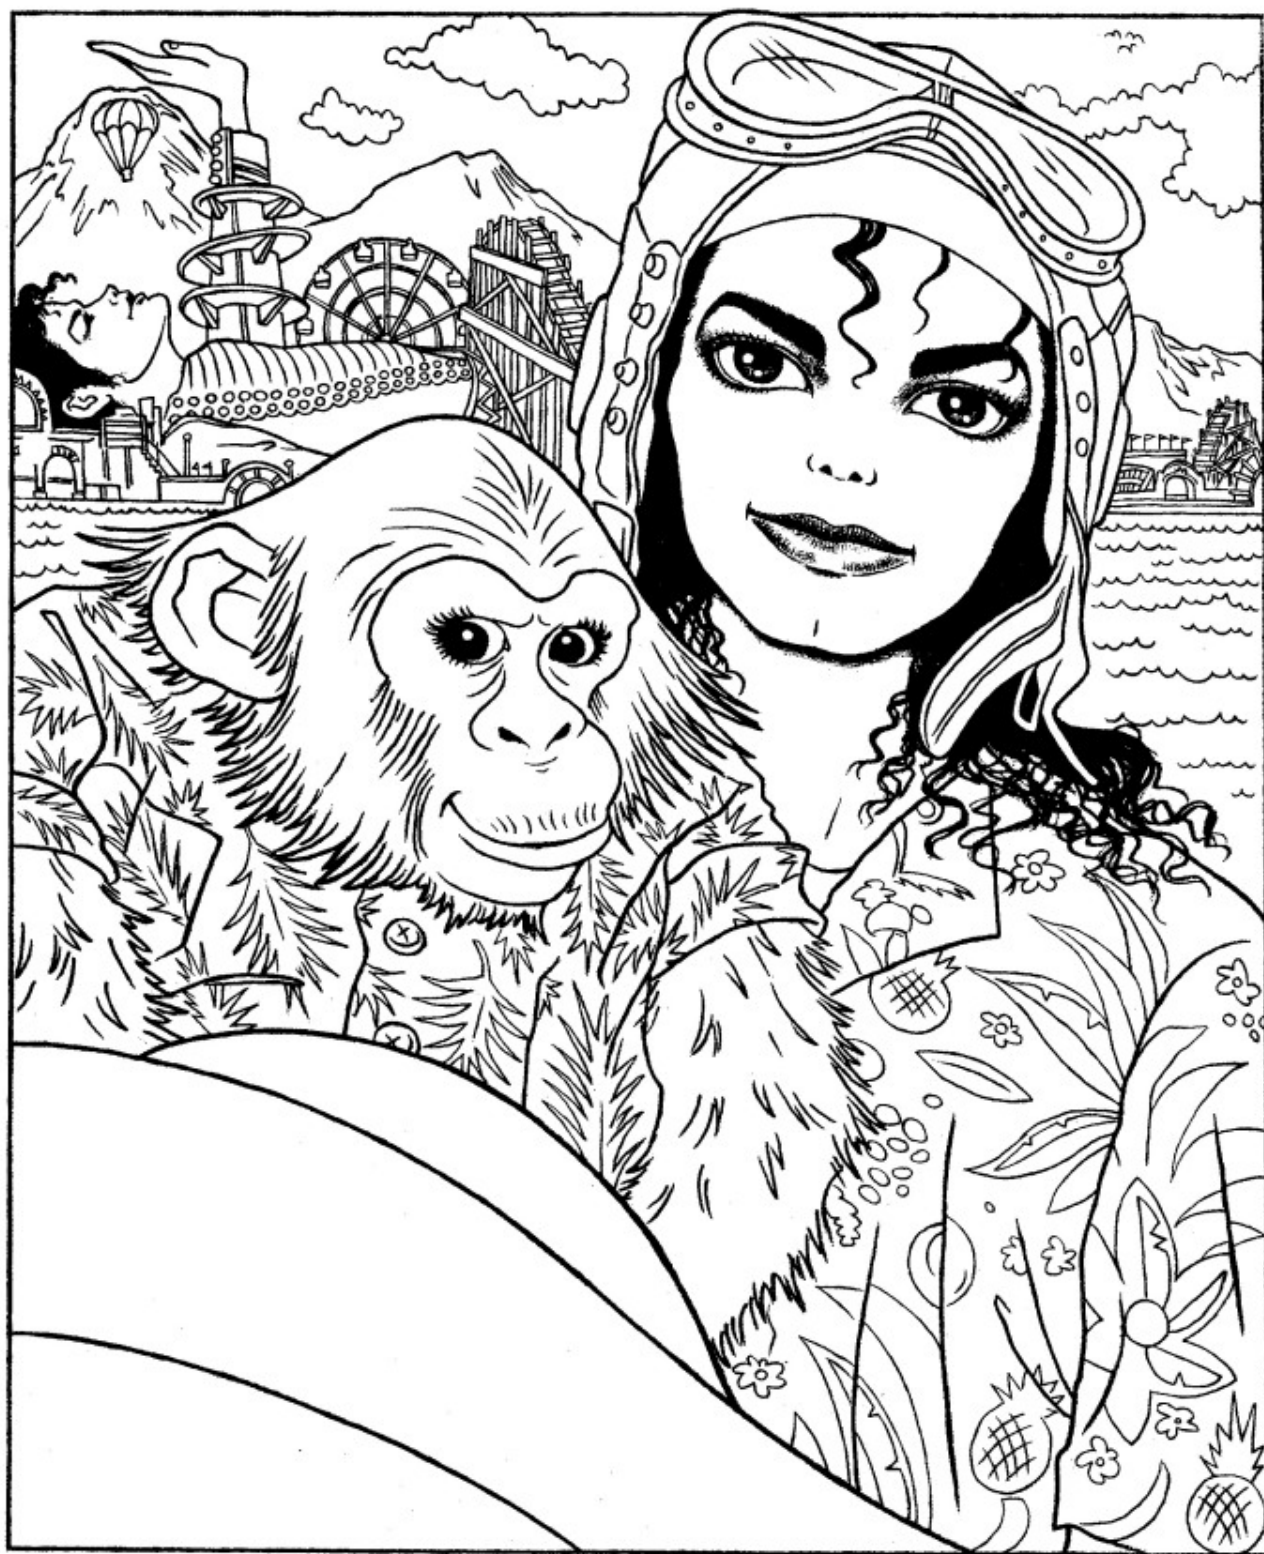

The twins have spotted Michael in his costume and decide to chase after him.

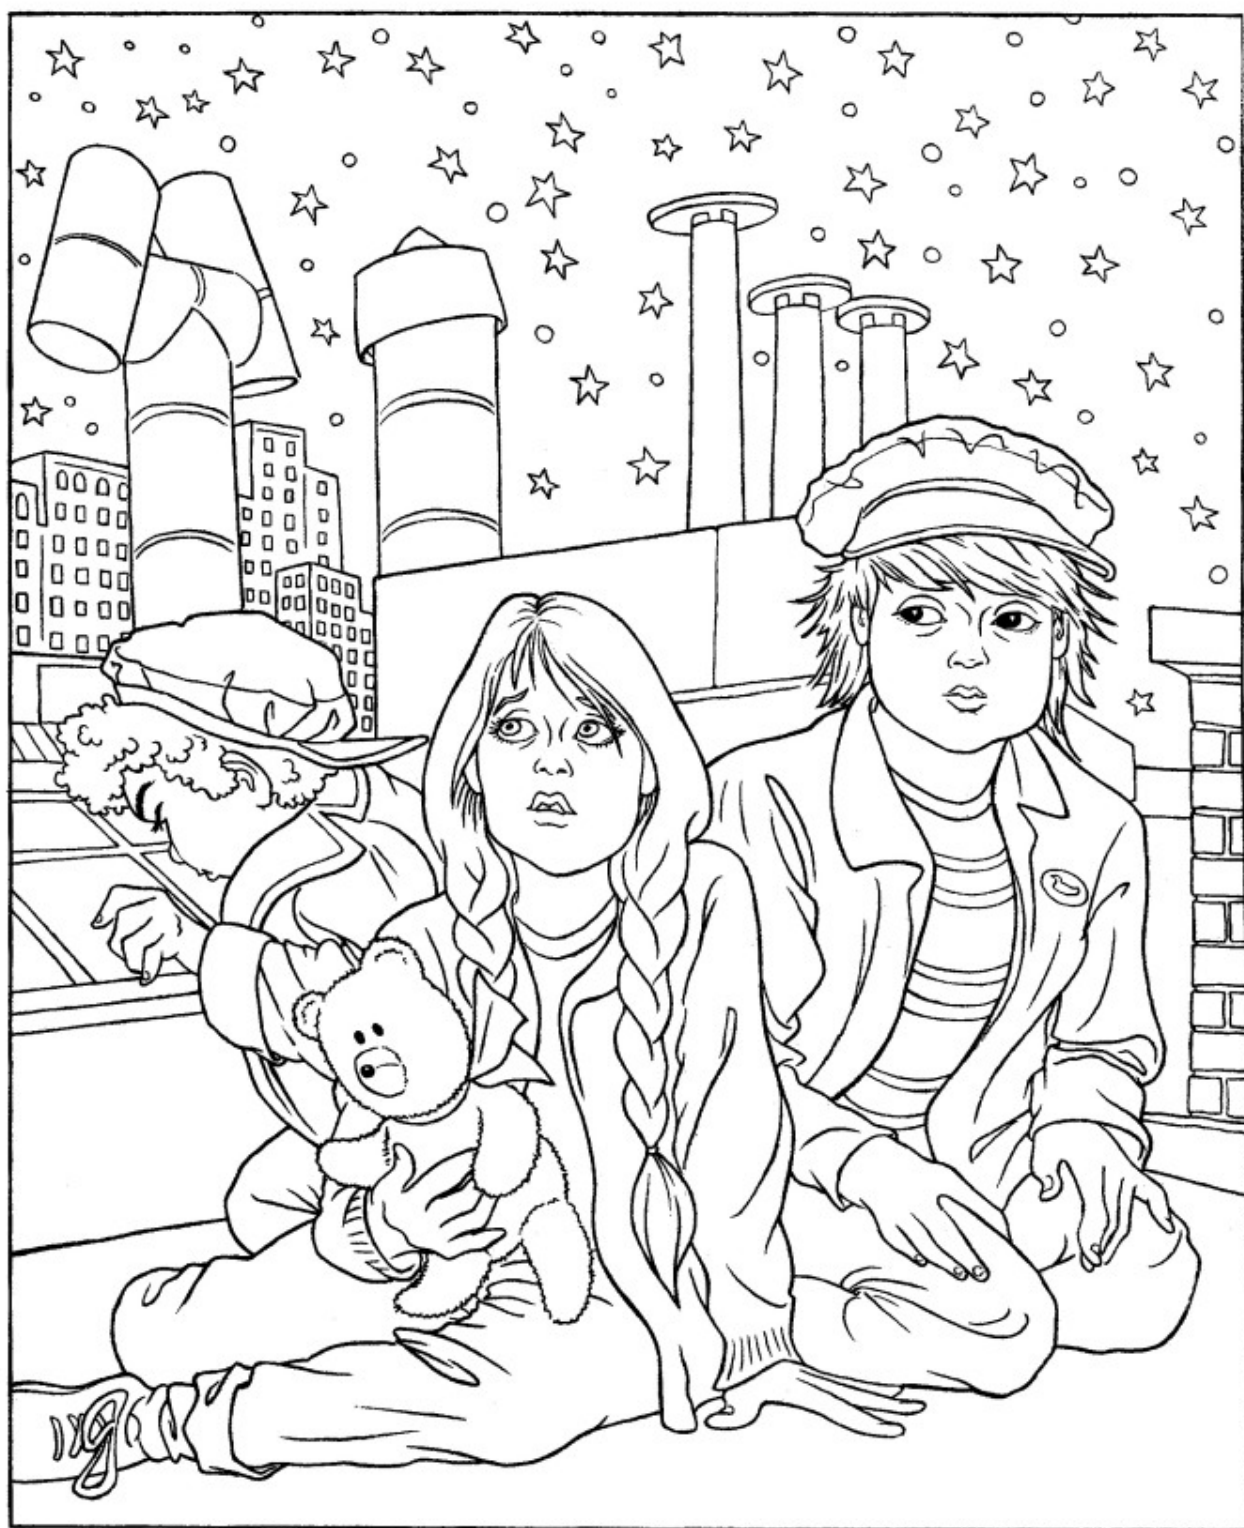

Michael makes a clean getaway and removes his rabbit costume.

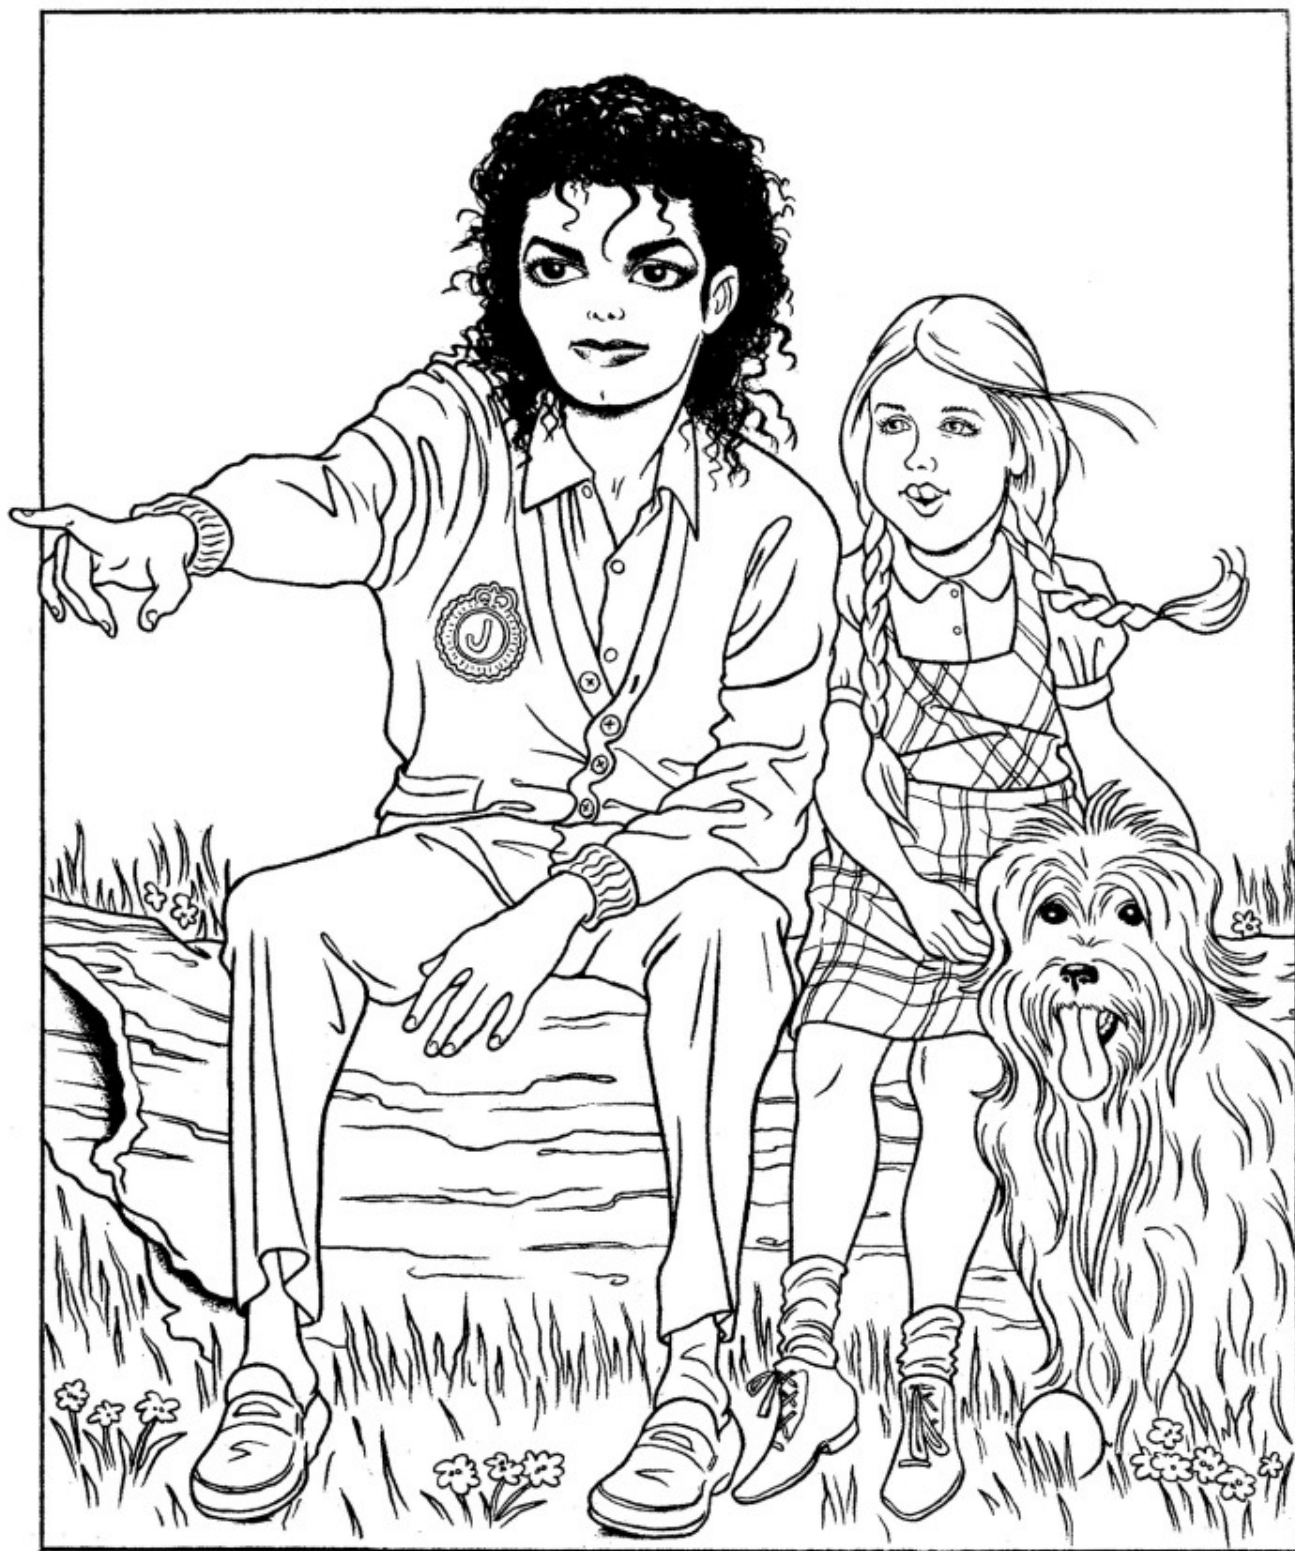

**Michael is surprised when the rabbit magically comes to life.
They dance together on the deserted road.**

Next, Michael and his chimp Bubbles travel through a magical carnival land.

**Come join Michael and his friends as they change the world and leave
it a better place.**

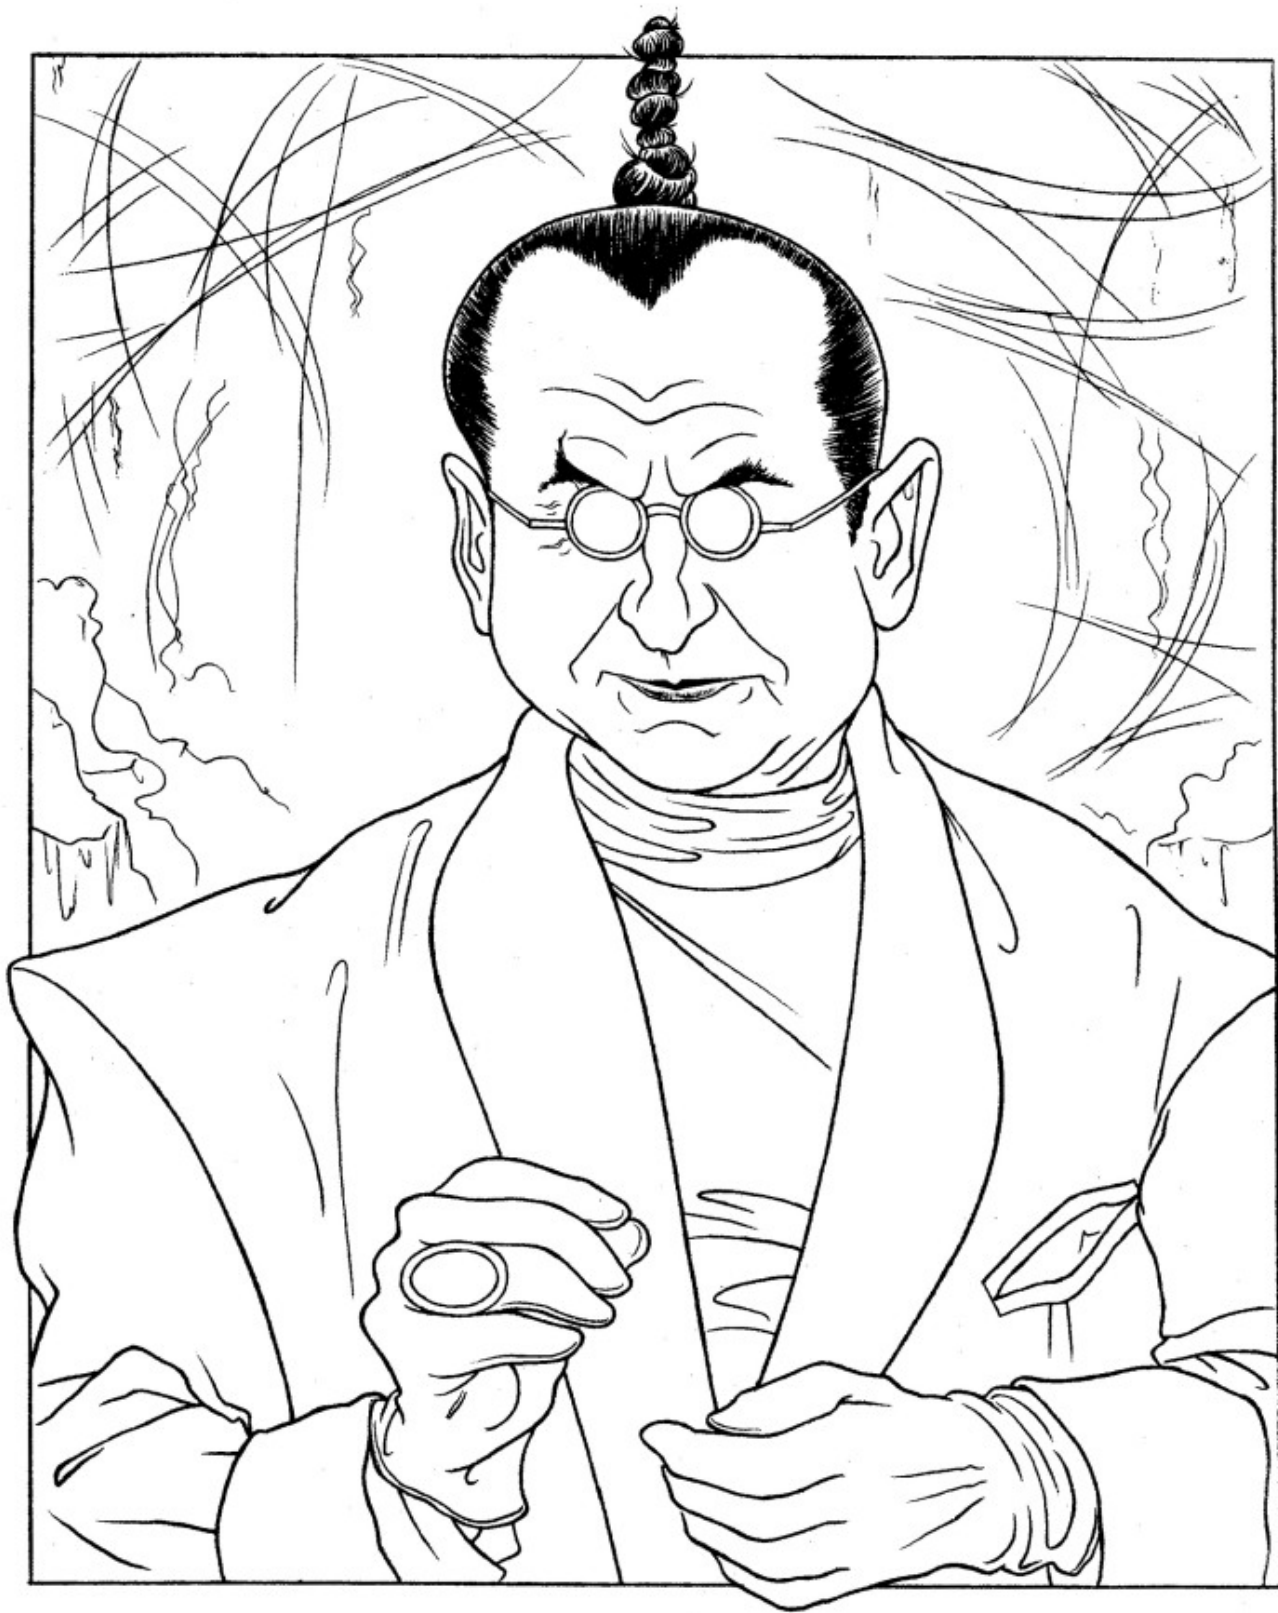

Michael and Katy and their dog Skipper sit in a field waiting for their friends to arrive.

Michael, Sean, Zeke, and Katy chase Skipper, who has run off with their ball.

After chasing Skipper for a long time, Michael and Katy find themselves in a scary cave filled with cobwebs.

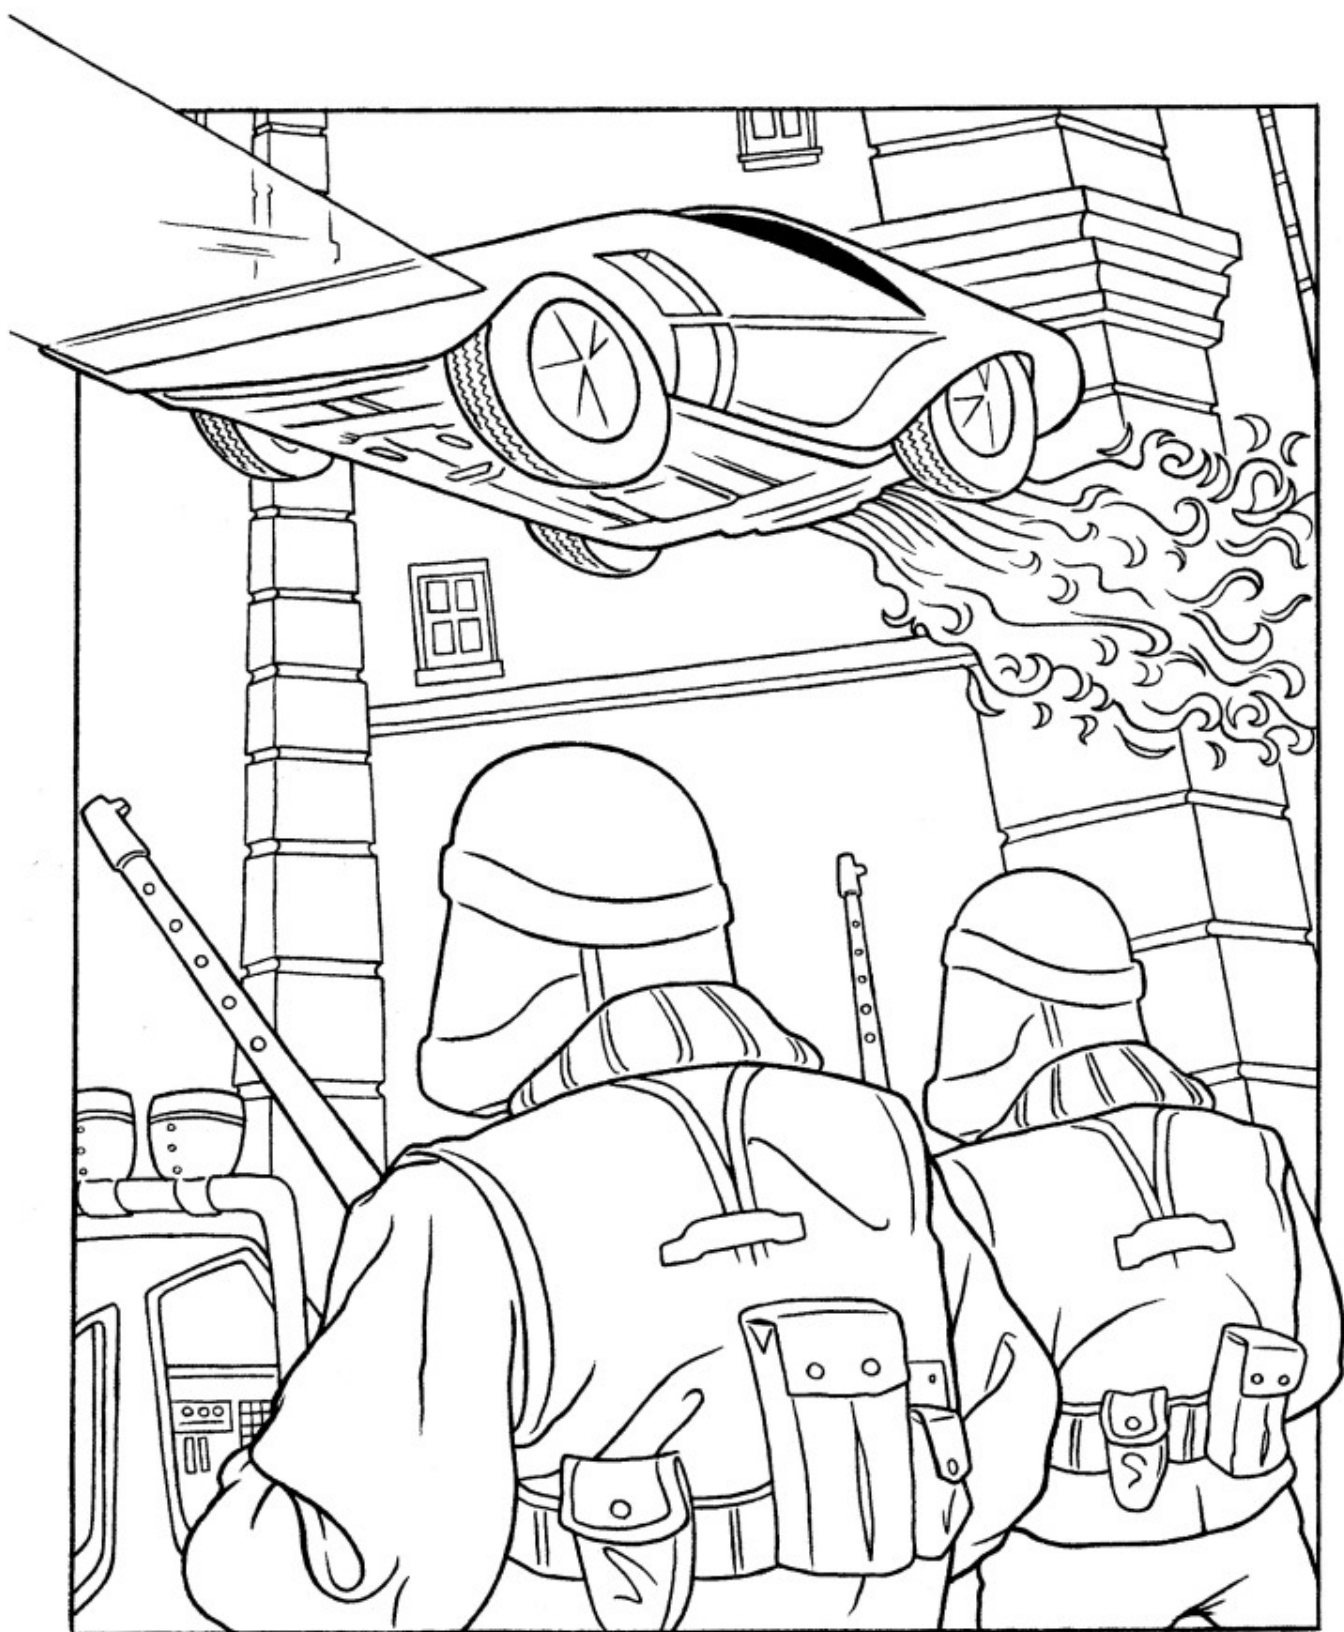

Deep inside the cave, an evil man named Mr. Big explains to his troops the evil plan he has devised to take control of the world.

Mr. Big and his troopers know Michael overheard them and they know they must find him.

Michael runs quickly around the corner, hoping to escape. He must find a way to stop Mr. Big!

The troopers think Michael is cornered in a dead-end alley with no way to escape, when suddenly they are amazed to see a sleek car fly over their heads.

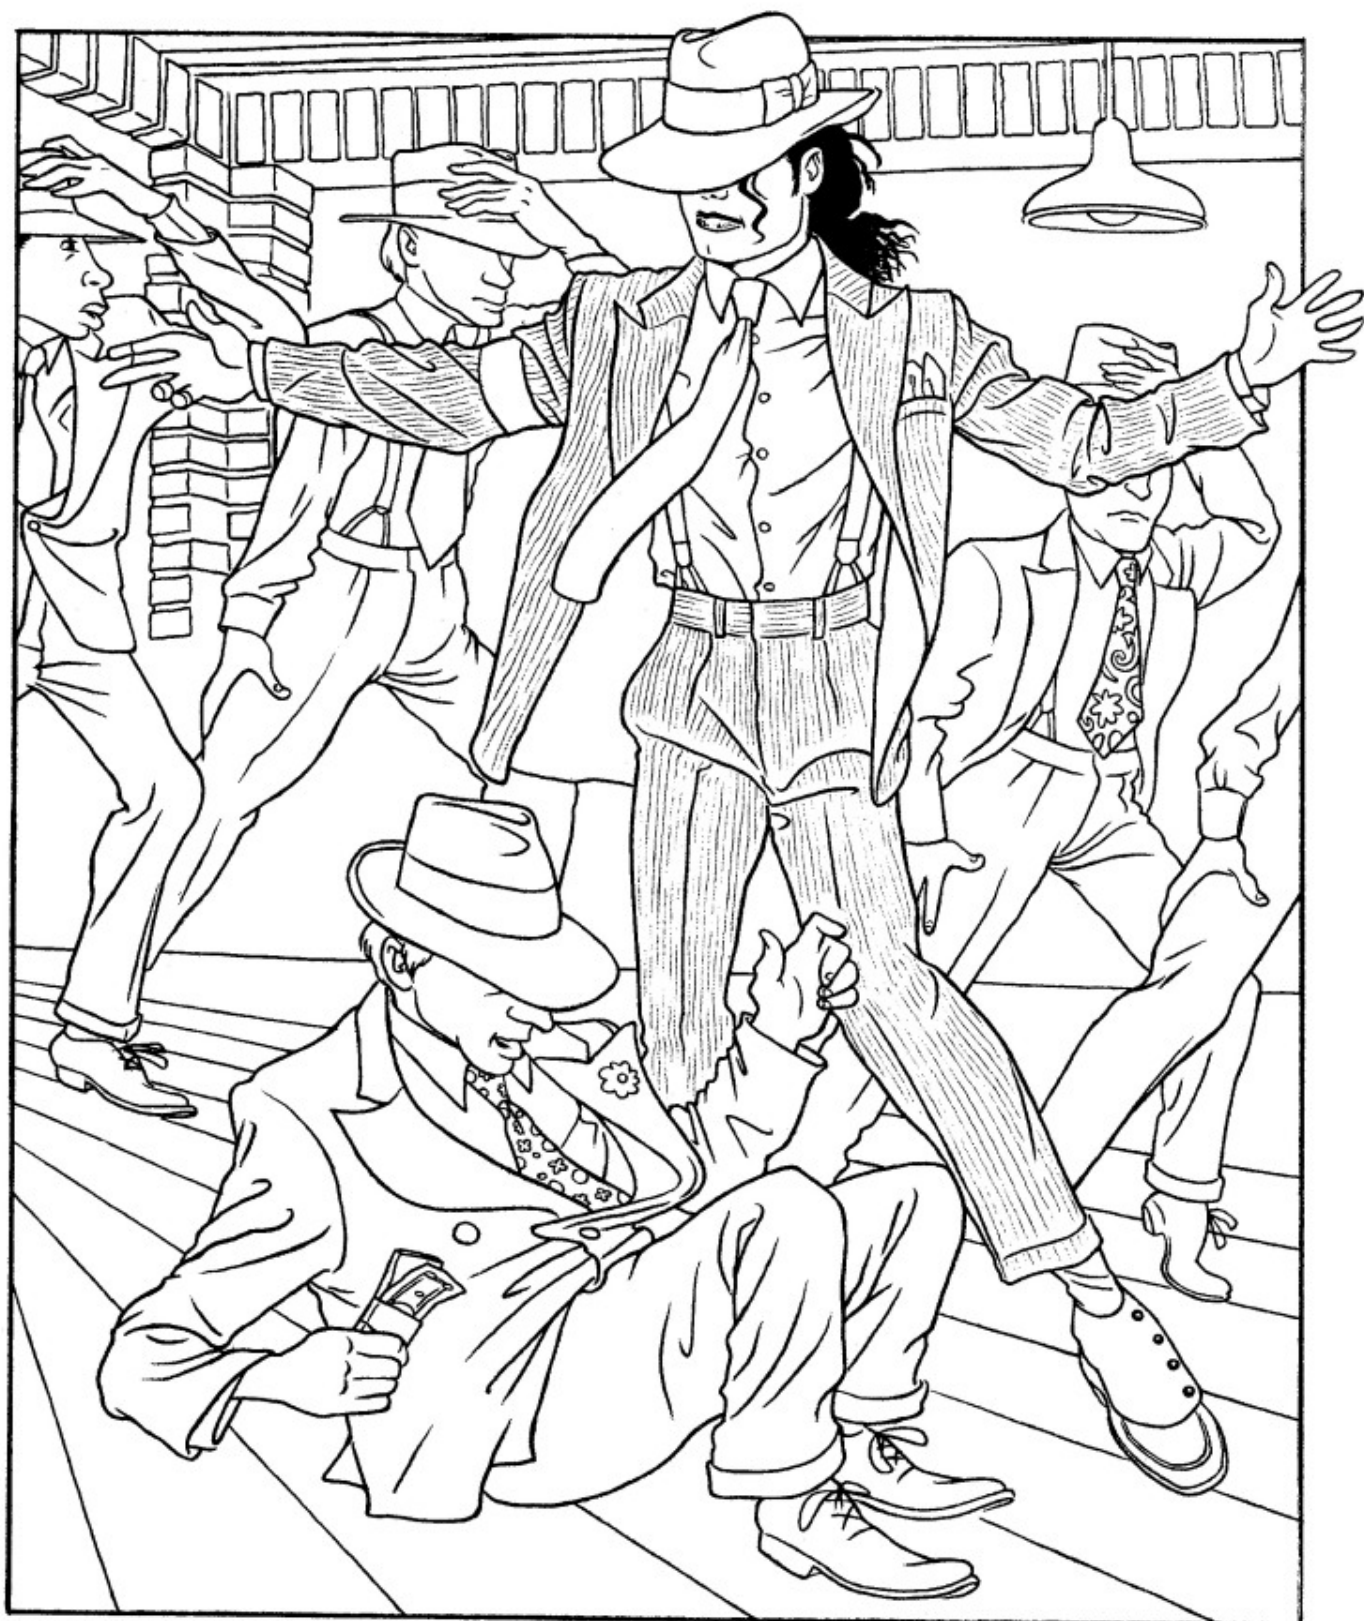

Michael roars safely away and heads for Club 30s.

Michael walks into the dusty old club and suddenly both he and the club are transformed, as if by magic.

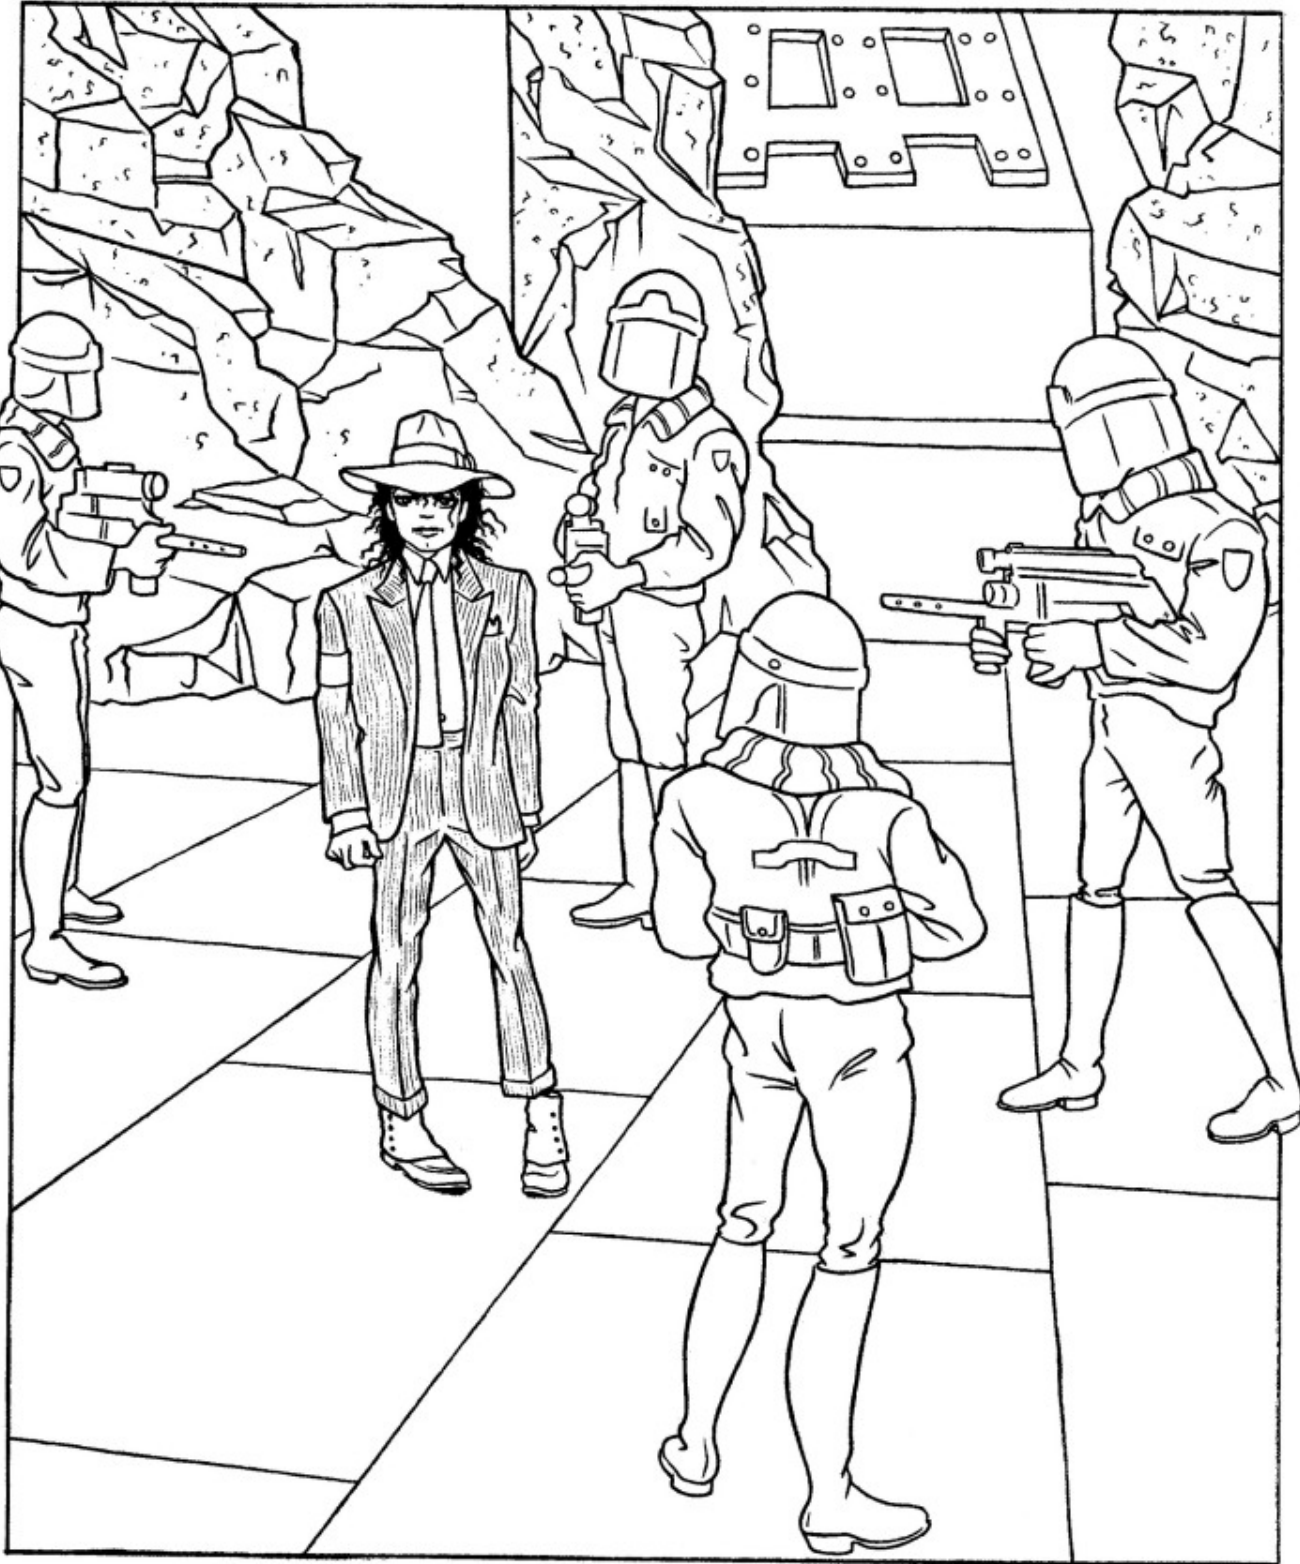

After tossing a coin into the jukebox, Michael begins to sing and dance to "Smooth Criminal."

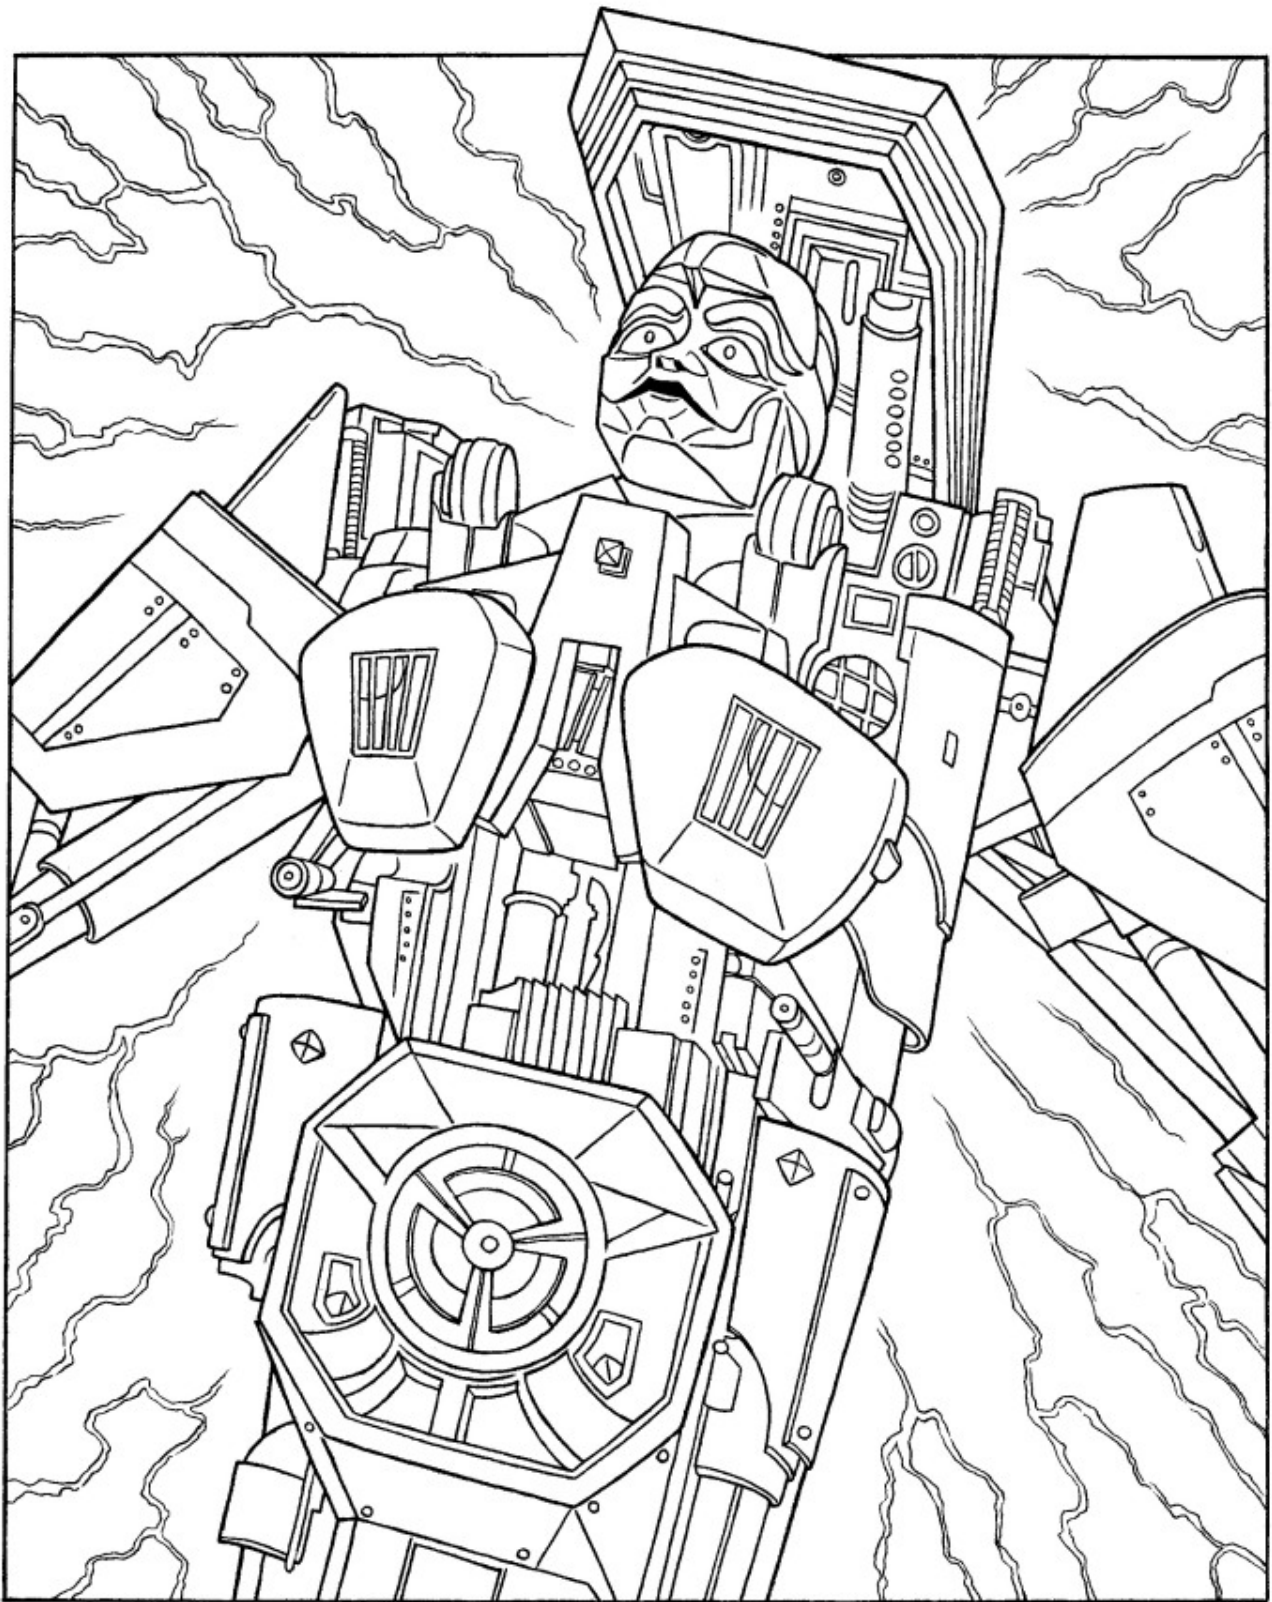

Annie, are you okay? So, Annie, are you okay? Are you okay, Annie?

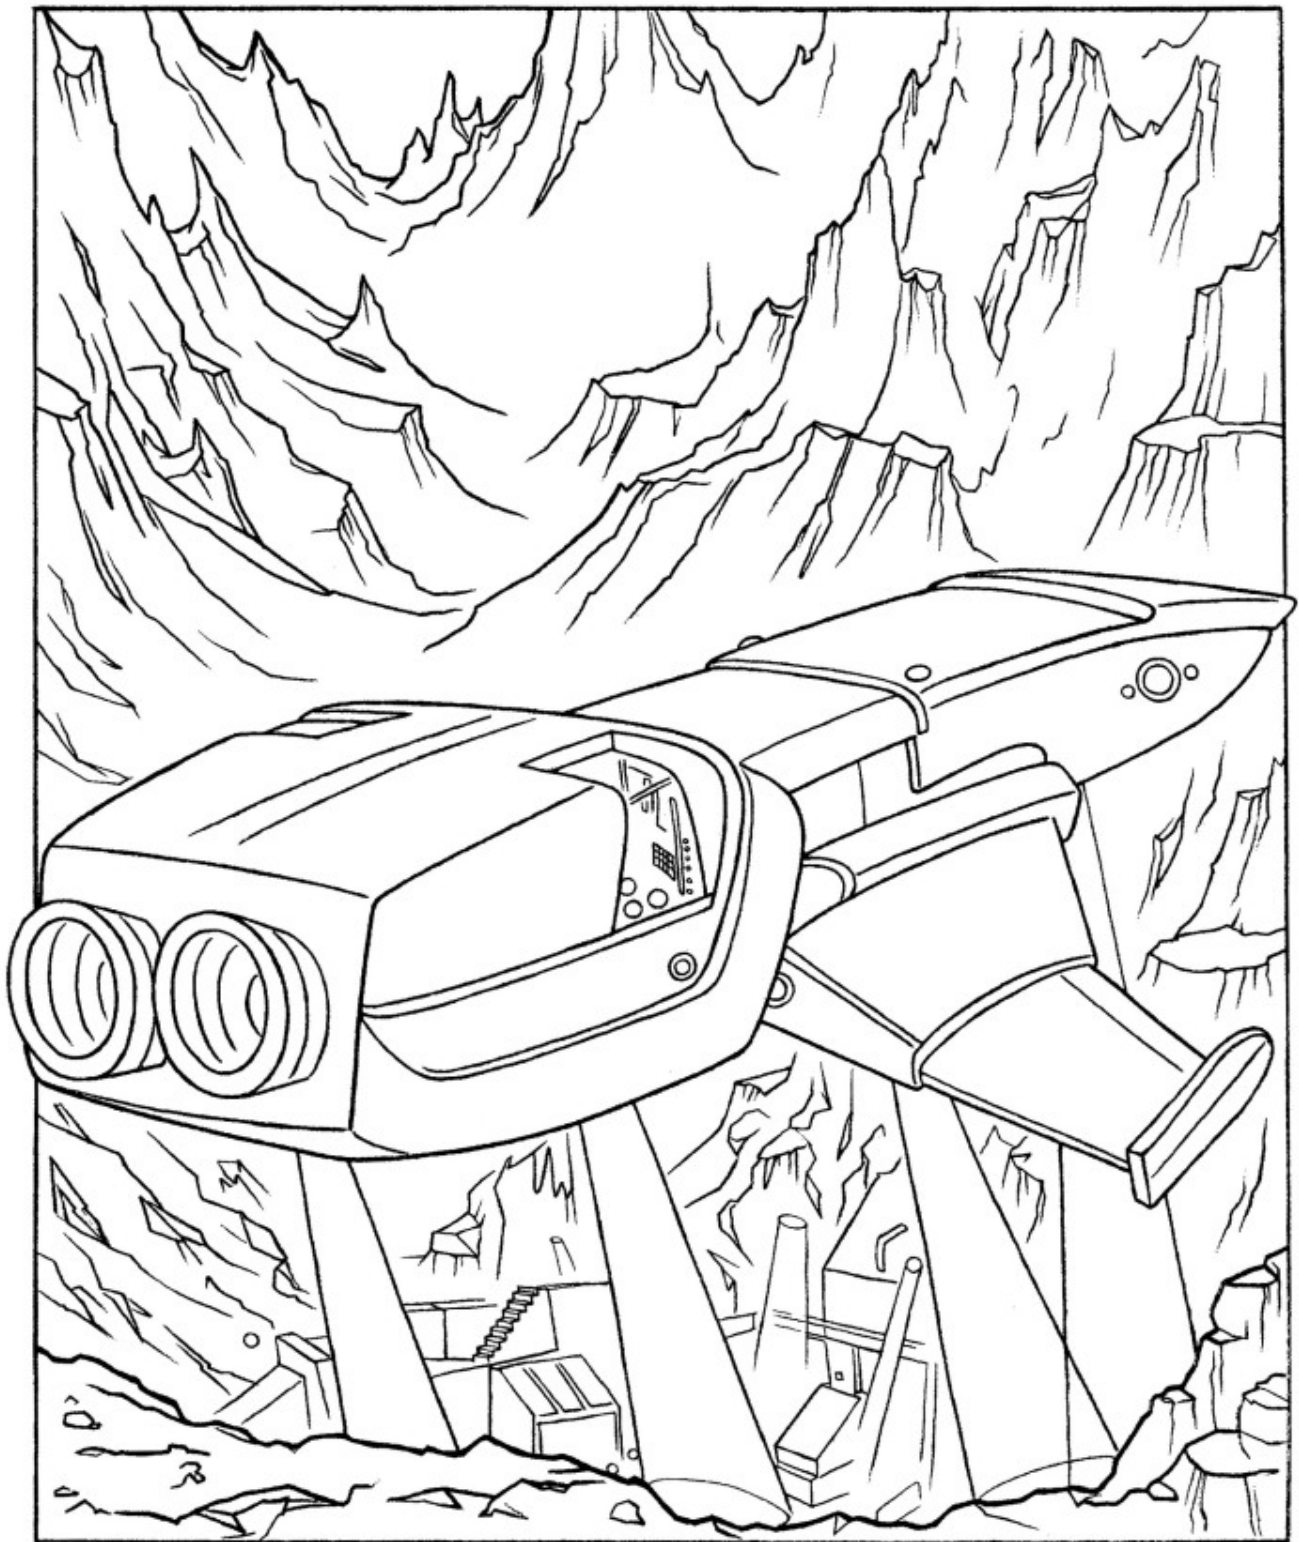

Outside the club, Mr. Big took Katy hostage. Now he is holding her prisoner back at his laboratory.

Michael goes to Mr. Big's lab to save Katy and finds himself surrounded by the evil troopers.

Michael looks into the vast night sky and gains magical powers. Suddenly he becomes a powerful robot that smashes Mr. Big's troopers, allowing Katy to escape.

Now Michael must battle Mr. Big himself. He changes from a robot into a spaceship.

Sean, Katy, and Zeke watch in amazement as Mr. Big is destroyed by the beautiful spaceship. The battle is won and Michael flies away.

Sean, Zeke, and Katy sit on a deserted street, sadly remembering their friend Michael who has gone away and may never return.

Suddenly Michael comes back to surprise his friends and take them to Club 30s to begin a new adventure.

When the kids open their eyes inside Club 30s, they are backstage at a Michael Jackson concert.
